

MARYANNE'S MUSIC STUDIO

STUDIO POLICIES

1. Cancellations

Any cancellations that occur at least 24 hours ahead of the scheduled lesson time will not be charged. If there is less than 24 hours' notice given, the scheduled lesson will be charged unless the reason is due to sickness or other emergency.

If students are absent for any reason, an effort will be made to reschedule the lesson at another time during the week, however this is not always possible due to limited timeslots.

Make up lessons due to late cancellations may be offered at my discretion.

If for any reason I need to cancel a scheduled lesson, it will not be charged, instead it will be rescheduled based on mutual agreement.

2. Payment

Tuition fees are due the first week of the month, and the fees will reflect the number of planned lessons for that particular month.

3. Lesson times

Lesson times are scheduled according to mutual agreement, and is subject to the availability of current timeslots.

4. Parental attendance

Parents are welcome to observe their child's lessons. Parents whose children are 8 and younger are encouraged to observe and take active note during lessons, as this is immensely helpful in their overall progress.

5. Practice

The effectiveness of lessons will be limited if sufficient practice does not happen at home. It is the student's and parents' responsibility to ensure that sufficient quality practice time takes place during the week. Recommended practice times and techniques will be discussed with each student.

6. Other materials

Students may have to occasionally purchase or obtain material necessary for the lessons. This includes exercise books, manuscript paper and music books.

7. Photo release

Maryanne's Music Studio may take photographs and/or videos of students for use in print and digital formats such as in newspapers, brochures, websites and other promotional materials the Studio creates. Personal identifying information of students will not be attached to these media. Please inform Maryanne if you wish to opt out of this.
